CROATIAN PRESIDENTIAL VISIT

The City of Port Lincoln will be honoured to receive and host the President of Croatia, Her Excellency Kolinda Grabar-Kitarovic, when she visits Port Lincoln on Friday 18 August 2017.

President Grabar-Kitarovic will attend a Civic Reception in the Rotary Gallery of the Nautilus Arts Centre, hosted by Acting Mayor Neville Starke together with the President of the Port Lincoln Croatian Club, Diana Mislov, and joined by invited guests including many from the Croatian community.

Acting Mayor Neville Starke said, "Port Lincoln is privileged to welcome Her Excellency, President Grabar-Kitarovic, as part of her 2017 visit to Australia".

"Mayor Green was enthusiastic about this visit and noted the extreme rarity of visits by international heads of State to our City", said Acting Mayor Starke.

The President will then visit the Lincoln Cove Marina to meet sector and local representatives and view the fishing fleet.

"The President's visit to Port Lincoln presents a wonderful opportunity for our Croatian community to join local leaders and dignitaries in welcoming Her Excellency to Port Lincoln and share the best of our regional community".

The Port Lincoln Croatian community will later celebrate the President's visit with activities at the Croatian Club during the afternoon on 18 August.
