# AUTHORISATION TO ALTER A PUBLIC ROAD - <u>DRIVEWAY CROSSOVERS</u> SECTION 221 OF THE LOCAL GOVERNMENT ACT 1999

I/WePhonePhone
(the "Applicant")
of address
hereby apply to <b>THE CITY OF PORT LINCOLN</b> for an authorisation to alter the public road at:
Pursuant to section 221 of the Local Government Act 1999.
Section 221(2) is that a person makes an alteration to a public road if the person:
oxdot alters the construction or arrangement of the road to permit or facilitate access from an adjacent property;
Details and specifications for the proposed alteration are:
(Specify any structure or objects including details of location, extent of alteration, materials proposed.  Attach plan, diagram – Refer Appendix A)

**Note 1:** A public road includes the carriageway, footpaths and verges.

**Note 2:** Encroachments generally involve building work, which constitutes 'development' under the Development Act 1993. As a result, a proposed encroachment will generally require both an Encroachment Permit (under the Local Government Act 1999) and a Development Approval (under the Development Act 1993) before construction can commence.

**Note 3:** If the Applicant proposes to use a public road for a business purpose, in addition to a section 221 authorisation, the Applicant will also require a permit under section 222 of the Act.

#### THE AUTHORISATION IS NOT EFFECTIVE PENDING:

- a. The Applicant agreeing to the **General Conditions** as contained herein;
- b. The Applicant agreeing to any/all **Special Conditions** that the Council may determine and attach to the Authorisation and completion of **Annexure A** (as necessary/if applicable).
- c. The Applicant paying the prescribed fee.
- d. A copy of this document signed for the Council has been returned to the Applicant.
- e. The Applicant providing to the Council evidence of all insurances as required by the General Conditions and/or the Special Conditions.
- f. If, in addition to the Authorisation, the Applicant requires a permit to use a public road for a business purpose under section 222 of the Act, the Council issuing and the Applicant agreeing to the conditions of such permit.

#### **GENERAL CONDITIONS OF AUTHORISATION**

- 1. For the term of the Authorisation, to comply with all applicable industry standards, health or safety standards, current standards of Standards Australia or any applicable Code of Practice.
- 2. To ensure that all works carried out are undertaken to the highest standard and are carried out promptly and with all due care, skill and diligence.
- 3. To ensure that any alteration to the road does not interfere with or cause damage to or in any way affect the property of any other person.
- 4. To comply with any direction given by any authority, statutory authority or Council to remove, maintain or otherwise modify the alteration to the road under this Authorisation.
- 5. That all fixtures and equipment erected or installed in, on, across, under or over the road under the Authorisation remain the property of the Applicant pursuant to section 209 of the Local Government Act, 1999.
- 6. For the term of the Authorisation, to maintain all fixtures and equipment erected or installed, or vegetation planted, in good and safe condition and to recognised standards.
- 7. To indemnify the Council, its employees and/or agents against all actions, costs, claims and demands for injury, loss or damage arising out of any negligent act or omission of the Applicant in relation to any activities under the Authorisation or arising out of breach of any condition attaching to the Authorisation.
- 8. For the term of the Authorisation, to take out and keep current a public liability policy of insurance to an appropriate level of cover per claim in respect of any negligent act or omission of the Applicant in relation to any activities under the Authorisation.
- 9. To not assign or otherwise transfer this Authorisation without first obtaining the consent of the Council in writing.
- 10. Subject to section 225 of the Act, the Council may cancel the Authorisation for breach of a condition.
- 11. At the expiration or earlier termination of this Authorisation to remove, if so directed by the Council, any structure or object erected or installed on the road under the Authorisation and to reinstate the road to the satisfaction of the Council.
- 12. This Authorisation does not confer on the Applicant any exclusive right, entitlement or interest in the road and does not derogate from the Council's powers arising under the Local Government Act 1999.

In making this application, I/we agree to be bound to the conditions of the Authorisation and declare that the particulars provided by me/us with regard to the proposed alteration are true and accurate

Temporary Scaffolding on Council Land

# ANNEXURE A WORKS PERMIT APPLICATION DETAIL FOR SECTION 221 PERMIT

#### **AUTHORISATION TO ALTER A PUBLIC ROAD**

Welcome to your Permit Application for undertaking work on Council land. Any work that is required to be carried out on Council's land requires separate approval before work can commence.

Careful consideration needs to be taken into account when planning the location of your proposed works. As the applicant it is your responsibility to ensure that there are no public utility infrastructure such as underground cables, pipes etc. in the vicinity of the work. This can be obtained by calling **DBYD** (Dial before You Dig) on 1100 or by making an online enquiry at <a href="https://www.smarterwx.1100.com.au">www.smarterwx.1100.com.au</a>.

\* Please provide a summary report of any infrastructure identified which impacts the work site.

Approval needs to be obtained for any work that is outside your property boundary, which may include Driveway Construction, Concrete/Paved Walkway, and Private Storm Water Outlet, Underground

Please ensure that you read and understand all conditions attached to your permit prior to commencing work.

Electrical Services, Landscaping on Verge, Removal of Vegetation and other miscellaneous work.

\*Please provide copy of a Certificate of Currency to confirm Public Liability

Should have any questions in regards to your application please contact the Council's Civil Operations Department on (08) 8621 2300 or email plcc@plcc.sa.gov.au

#### **PERMIT CONDITIONS**

Refer Link to Council's Civil Works Policy 14.63.11

#### SECTION 5A - DRIVEWAY CROSSOVER/CONSTRUCTION

Refer Page 6 for further details

#### General

- 1. That the construction is carried out in accordance with the specifications attached hereto.
- 2. Authority for any variations from the specifications will be recognised only when given in writing by the Council's Engineer or appropriate authorized officer.
- 3. A concrete driveway is required to be placed with all new concrete inverts.

#### Construction

4. The excavation should not be done more than 48 hours prior to placing the driveway.

#### **Unsatisfactory Work**

5. The Council may require the applicant at the applicant's cost to repair or remove a crossing place which does not comply with the specifications.

#### **Damages**

- 6. If required, separate applications for storm water disposal shall be submitted by the applicant prior to construction.
- 7. Where a roadside drainage system exists, the applicant shall maintain at all times a suitable drainage system during and after construction.

#### **Restoration**

8. It is the applicant's responsibility to ensure that the footpath is made safe upon completion of the driveway. Existing concrete or bitumen footpaths must be reinstated to the edge of the crossover. A flat transition is to be maintained between the existing footpath and the new driveway level for pedestrian safety.

#### **SA Planning & Design Code**

9. Transport, Access & Parking/Vehicle Access

PO 3.6	DTS/DPF 3.6
Driveway and access points are separated and minimized in number to optimize the provision of on-street visitor parking (where on-street parking is appropriate)	<ul> <li>Driveways and access points:</li> <li>a) For sites with frontage to a public road of 20m or less, one access point no greater than 3.5m in width is provided</li> <li>b) For sites with a frontage to a public road greater than 20m: <ol> <li>i) A single access point no greater than 6m in width is provided or;</li> <li>ii) Not more than two access points with a width of 3.5m each are provided</li> </ol> </li> </ul>
