1. POLICY

The City of Port Lincoln is committed to achieving a high level of pro-active Work Health and Safety (WHS) management in line with Council's Strategic Vision to be 'a progressive, vibrant and safe Regional City that is an attractive place in which to live and work'.

To facilitate this, Council has implemented a Work Health and Safety Hazard Management system (system) which contains minimum standards and is designed to encourage and facilitate the provision and maintenance (so far as is reasonably practicable) of:

- a safe working environment;
- safe systems of work; and
- plant and substances in a safe condition,

for workers and others in accordance with legislative requirements and the Performance Standards for Self Insurers (PSSI).

Key elements of Council’s WHS Hazard Management system are:

- Hazard Management Procedure – OSPRO8;
- Incident Reporting and Investigation Procedure – OSPRO7;
- Workplace Inspection Procedure – OSPRO13;
- Plant Procedure – OSPRO11.

These elements are designed to assist to identify, quantify and manage the hazards and risks associated with the Organisation’s activities, in accordance with the Organisation’s commitment under the ‘One System’ Work Health and Safety Management System (WHSMS).

Other elements may be added under this policy as identified as appropriate over time.

The Organisation will regularly review in consultation with workers and their representatives and subject area experts and other duty holders (as necessary):

- The effectiveness of this policy and supporting procedures to identify opportunities for continuous improvement;
- adherence to this policy and the supporting procedures and take appropriate action where non-compliances are found.

2. RESPONSIBILITIES

The Executive Management Team is accountable for checking that adequate resources are identified and provided to enact this policy and supporting procedures effectively.

Leaders are accountable for:

- bringing this policy and supporting procedures to the attention of affected workers in their area;
- monitoring through their supervisory activities that the policies and procedures are adhered to;
- checking that affected workers have had appropriate training to undertake the activities identified within this policy and supporting procedures.

Affected workers are accountable for adhering to the requirements of this policy and supporting procedures, or report any inability to do so to management at the earliest opportunity.

3. REVIEW

This Hazard Management Policy shall be reviewed by the City of Port Lincoln WHS Committee at minimum within three years (3) of last review date or more frequently if legislation or organisational needs change.
