## HAVE YOUR SAY

# IS YOUR LIBRARY DELIVERING TO YOUR NEEDS?

The City of Port Lincoln is undertaking a review of its Port Lincoln Library facility and services provided to the community inviting feedback through a [community survey](#). Feedback received from the survey will be used as a basis for developing a new strategic plan and three to five year business plan for the Library.

The Council is committed to providing a vibrant and inclusive community meeting place that is welcoming, safe and offers a range of activities, services, events, and access to a variety of information and resources for everyone. Manager of Library Services, Louise Mrdjen said “We look forward to hearing feedback from our community about our Port Lincoln Library service, resources and facilities. The Library aims to provide a fabulous and responsive service and is keen to seek community input in our ongoing development. From early literacy support, opportunities for social interaction and interest groups, traditional and digital technology, local cultural heritage, events, displays, book launches, children’s services, community information and more, the Library continues to make a positive impact for our city.”

The information obtained from the survey will provide Council with an indication of the Library’s performance, if it is indeed meeting community needs and expectations and whether there are any improvements that can be made to the operation and services currently being provided.

Mayor Bruce Green said “The Port Lincoln Library is an important facility and service, essential in supporting our community’s health and wellbeing, knowledge and local cultural heritage. Council is committed to continue to provide and maintain a responsive and relevant library service”.

The survey may be completed online via the Council’s website [www.portlincoln.sa.gov.au](http://www.portlincoln.sa.gov.au) or Library catalogue or Facebook page. Hardcopies of the survey are available at the Port Lincoln Library and Council’s Administration Office in the Civic Centre.

All survey submissions are to be received by the Port Lincoln Library by 5pm on Friday 16 March 2018.
